

Housing Highlights

From the President:

Happy Fall RRHAK members! I hope everyone is enjoying the cooler weather. We had our first district training in Manhattan in August, it was a huge success. Over 20 members joined in on the training workshop with topics on renters' rights, inspections, budgets, and stress/mental health. Oh, and lunch was awesome! We will continue to bring the workshops to your area with these same topics so everyone will have an opportunity to learn. As stated in the previous newsletter, this is your benefit of membership; the cost is zero so please join us! Our next stop will be in the NW district at the Bowen Scouthouse in Hoxie on November 13th (see attached flyer), remember to RSVP by 10/31/24.

Sincerely,

Harvey McFarland
President

Greetings from Wendy,

It was Spooky how well the first quarterly training in the NE went. We had plenty of attendance, plenty of food and plenty of great information put out for you members. I am counting on the NW members and others to jump in and attend the NW training on November 13th, we will continue with the same topics throughout the State until every district has had an opportunity to attend one of the current trainings. Please don't hesitate to sign-up with me prior to the RSVP date, I must plan for food, so I need the final number before the workshop.

Hope you all had a great Summer, now let's enjoy the cooler weather and get out west for some more great training!

I'm excited to see you in November!!

HAVE A HAPPY HALLOWEEN!
